N2 ERP

n2

N2 ERP is a fully integrated Cloud ERP solution developed by First Software in Auckland. The solution is designed to meet the Procurement, Inventory, Point of Sale, eCommerce and Accounting needs of retail and distribution businesses. There is also a manufacturing buyer module for light manufacturing. N2 ERP is an all-in-one solution to streamline operations.

Customers range in size from three users to 150 and from one store to over 20. Smaller customers have the option to use Xero for Accounting.
