

Zag is trusted by more than 90 organisations across A/NZ to provide SAP, Cloud and Spatial solutions, support and consulting. Since its formation in 1996 as a specialist SAP implementation partner, Zag has delivered more SAP ERP projects than anyone else in NZ and the most S/4HANA projects in A/NZ. Zag built Asia Pacific's first certified SAP Partner Centre of Expertise for SAP Support Services, is an SAP Gold Partner and has partnerships with AWS, Microsoft and Google for the deployment of SAP on their IaaS platforms. Zag's mobile SAP asset management product BlueWorx is sold globally through partners.
